Blend & Go - BG 1310

Blend and Go !

Make your personal healthy snacks or smoothies! You blend in the same cup you drink from. So quick, easy to take with you and less dishwashing. Thanks to the 4 cups everyone makes his own drink with his own favorite ingredients. Also ideal to make sauces, dressings, toppings, milkshakes, cocktails, baby food, pesto, crushed nuts, grind coffee, crushed ice, grated cheese or chocolate... multifunctional!

FRITEL, Tastefully Created !
