

## Cordless Warming Tray

## Cordless Warming Tray WT 3498

Cozy diner, easy going chit-chat, ... it's all part of a delicious family diner or a diner with friends. But off course you want the dishes to stay warm and that everyone can enjoy . With the extra large and cordless warming tray FRITEL WT 3498 , you keep all your culinary dishes warm for a long time. No worries about a power point nearby and no dragging extension cables. You simply preheat the plate, put it on the table and it releases its heat for hours.

**Fritel, Tastefully Created !**
