Rice & Pasta Cooker RC 1377

A fan of delicious rice and pasta dishes? If so, the rice and pasta cooker from FRITEL is an enrichment for your kitchen! From now on, no more wet or burning rice. Add the desired amount of rice and water and the appliance does the rest. At the end of the cooking time, the appliance switches to the keep warm function automatically. Very convenient and useful for every type of rice but also for trendy grains such as lentils, quinoa and bulgur. And what about pasta? Spaghetti, tagliatelle, penne, farfalle, macaroni, rigatoni,... perfect and al dente! An extra advantage is the glass lid with an integrated sieve for easy and safe straining of the water.
