Slow Cooker - SC 2090

Slow is good for you! With this Slow Cooker, everyone can cook the most delicious stews, sauces and soups, even the biggest dummy. Take all the ingredients, add them to the slow cooker, turn it on and 4 to 8 hours later you have the most delicious and tasty stews. And this without stirring or looking at it. It's also healthy, because you don't need fat and it is budget-proof, even the most chewy meat becomes tender!
