Bread Slicer - SL3070

Baking your own bread and slicing it afterwards is very rewarding. Buying fresh bread and slicing it yourself also gives a more tasteful result than pre-cut bread. Thanks to the compact FRITEL all cutter SL 3070 you can do this in no time. It's possible to fold together the appliance for space-saving storage, and it keeps the knife away from those curious kids' fingers.

FRITEL, Tastefully created !
